## TERMS OF SALE

**All bidders must read and abide by these terms. Not an Approval Sale.**

- I. All bids are entered as soon as received. Lots will be sent to the highest bidder. Mail your bids early, as thousands of bids have to be entered.
- II. Please bid by piece, not by the lot. No lot broken under any circumstances. Thus 3 pieces in a lot and you wish to bid \$1.50 for lot, then bid 50 cents for each piece. When two bids on the lot are the same, the first received gets the lot. Where the number of pieces in a lot is not given after the description there is but one piece in the lot. Be sure you bid on lot you wish to buy. We cannot correct such errors.
- III. Bidders unknown to us and having no previous credit established, are requested to give reliable reference or their bids cannot be executed, and must forward in advance a remittance or deposit of at least 25% of the amount of their bids. This is final, otherwise bid will not be accepted. To those known to us who have established credit, a reference or deposit is not necessary and purchases will be sent out promptly after sale.
- IV. Remember, this is strictly a CASH SALE, time not granted, therefore your remittance must be made promptly within one week after delivery of all purchases. This is FINAL. The coins we are selling are generally the property of others and we have to make an accounting to them. Buying coins at auction sales is not the same as receiving coins on approval. Unfair tactics of bidders will be met with by removing names from our mailing list. The coins are bought for you on your order and you are of course expected to accept. Your bids are as binding as any contract, so do not bid unless you are certain you can pay promptly for what you bid on.
- V. Remit by money order, payable to Rollo E. Gilmore. Stamps in 1c or 1½c denominations accepted in amounts below one dollar only.
- VI. Bids will be executed for the usual charge of 5% of actual purchase, for packing and sending out material, but where the parcel is bulky an additional packing charge will be made. Express or postage extra.
- VII. Should you wish advice on how much to bid on any item, write us and we shall be glad to inform you as to its value. It is useless as well as an imposition to make low bids that have no chance of success. Remember signs indicate an improvement in coin prices, bids are higher.
- VIII. Bids must be in the office on the morning of the date of sale. Write your bids plainly, with pen if practical, and mail early. First bid often has advantage as in tie bid.
- IX. LET US SELL YOUR COLLECTION or duplicates at our next auction or private sale. Write for terms. They are no higher than elsewhere. Material to be sold in next auction sale must reach us before the 30th of the month following this sale. Sender must pay Express or Postage. Don't delay, ship now.
- X. To insure your being kept on our auction mailing list, you must send in bids. If you find nothing in this auction to bid on, request next auction list by post card.
- XI. No claims allowed unless same are made promptly and by writing first, within 30 days of the date of the sale. We will adjust errors, but we will judge merit of all claims, and no material returned unless it is the fault of the Cataloguer. Study the Catalogue, you will enjoy it and find many things not generally offered. Send in a generous number of liberal bids. The Cataloguer has endeavored to describe all coins fairly without overrating.
- XII. A neatly prepared list of Prices Realized of this sale, showing amounts each lot was sold for will be sent for only 50 cents, cash with order. After the Sale the price will be \$1.00. With prices, this catalogue becomes a valuable reference.

# CATALOGUE

- XIII. BOTH MAIL AND PUBLIC BIDDING will be received for this, Section No. 1, covering Numismatic items. Due to limit of time, the items in this section are limited to the number possible to auction off on the evening of Tuesday, August 29th, starting promptly at 8 P.M. in the Florentine Room of the Congress Hotel, Chicago. Your co-operation with prompt bidding on the floor will assist in getting through all the lots quickly. Mark your catalogue previous to sale. Mail Bids must be in by the morning of the date of sale to be properly tabulated preceding auction. Even though you attend the auction, we recommend that you mail in bids, then if you see an item going above your mail bid, you may publicly bid it in. Mr. Gilmore will personally and impartially act as the faithful agent for the mail bidders, and start the bid for the highest mail bidder at a slight advance above the second highest mail bid, or at the bid where only one is received. Tell him the lot number of the item you especially wish, with instructions and limit bid you wish him to use, if necessary to obtain any lot for you.
- XIV. EXHIBITION of these lots, except large bulky items, will be made one hour previous to sale at the auction room, held in the Florentine Room of the Congress Hotel. All lots will be shown, on request, at any time previous to this at The KOIN-X-CHANGE Shop. Call there and view the many items interesting you as many days prior to the sale as may be convenient to you. Positively no lots delivered during the progress of the sale. No lots will be put up and offered out of numerical order, or exhibited during sale.
- XV. WE WILL KEEP TWO BOOKS of the sale recording each lot as sold and we will not accept any sale record of outsiders. Our records are final.
- XVI. The AUCTIONEER WILL ACCEPT NO BID UNDER 10c to start a lot where that lot contains only one piece; nor will he accept an advance under 5 cents on any lot containing but one piece; after the price has reached \$2.00, no advance under 10c will be accepted on any lot containing one piece; after \$5.00, the bid must advance 25c each time; after \$10.00, no bid under 50c.
- XVII. To those who have not attended a Public Coin Auction, permit us to suggest that you MARK YOUR CATALOGUE during the Exhibition or before with the price you are willing to pay for the various lots as there is no time for this after the bidding starts. Then you must be quick in bidding as the Auctioneer finds it necessary to make the procedure prompt. If you attend the A. N. A. Convention & Auction bring this catalogue.

Arthur J. Adair, Auctioneer.

AMERICAN NUMISMATIC ASSOCIATION  
ANNUAL CONVENTION AT CHICAGO

AUGUST 26 to 31

“ON TO CHICAGO SPIRIT OF 1933”

Make a special effort to attend the A. N. A. Annual Convention this year to be held in the Congress Hotel, Chicago. Chairman Henri Ripstra and Co-Chairman Mrs. Alden Scott Boyer of the Chicago Coin Club A. N. A. Convention Committee and the other members have planned diversifying trips and visits as well as the banquet and entertainment, to make you enjoy your stay. You have been wanting to meet the Association fellows. This is your opportunity.

Bring along some of your interesting coins, paper-money or medals and help make a splendid exhibit of coins. Ample cases with locks and guards are being provided in the large Florentine Room for an expected large number of Numismatic exhibits. Don't you disappoint us. See Mr. Ragnar L. Cederlund, Chairman of Exhibits Committee of the Chicago Coin Club for A. N. A. Convention, for a case on arrival.

If you can be present, we would be pleased to have you advise us. Now don't fail to write to the Congress Hotel, Michigan Ave. & Congress St., Chicago, Attention Miss Gertrude Cummings, requesting reservations and give her number in your party, and if single, double or four bed room, etc. are wanted. Be sure to tell her you are an A. N. A. member as they have reserved a limited number of rooms for A. N. A. members and they have not increased their rates to us. For hotel rates, see articles in The Numismatist or Hobbies Magazines. Remember Chicago hotels are filled daily, due to the large crowds attending A Century of Progress, so this suggestion may save you walking the streets for a room. Upon arrival, register immediately with both the Secretary and the local committee and get the handsome official badge of the Convention.

The fine and many unusual numismatic specimens that you may obtain in The KOIN-X-CHANGE Shop's Public Auction, to be held in the Florentine Room of the Congress Hotel, on Tuesday night, August 29th, may be worth the trip alone. You may both inspect and make sure you get those fine specimens now lacking in your coin trays.

The annual banquet on Wednesday night in the Gold room is another yearly event all good “Coin Bugs” look forward to.

Least of all, don't forget the daily business sessions each morning.

The excursions to Taft Studios of Sculpture and to the Chicago Historical Society, inspecting the large coin collection and historical relics of Chicago and the Northwest, are trips you will not regret.

After the Convention you may tour A Century of Progress Exhibition to your heart's content. Its the big event of the year you know, with amazing scientific displays, etc.

## "KOIN - FRAME"

### For The Modern Coin Collection Display

The "KOIN-FRAME" is a new, novel and economical method to display a coin collection. In appearance, it looks like a picture frame, but contains two 8"x10" glasses with a special cut-out coin holder between allowing for the obverse and reverse display and protection of fine coins. It may also be used for the new game known as the "KOIN-COLLECTOR GAME".

The glass is conveniently removable by sliding out at top, allowing for quick insertion or re-arranging of coins. The frame is finished in ebony. The frame may be used with table base, to stand on table, or may be hung on wall like a picture, or it may be used horizontally as a coin tray in a specially built cabinet. They are obtainable at the following price.

KF-5. Koin-Frame set complete for 80 Lincoln Cents

KF-5I. Koin Frame set complete for 80 Flying Eagle & Indian Cents. (op'gs. for others, such as Civil War Cents, Patterns, Dimes, extras, etc.)

Price 60 Cents, each, F. O. B. Chicago, or delivered at 75 Cents each, including Postage and special packing. We recommend insurance for which include 5c extra.

"KOIN-COLLECTOR-GAME"—Coin Sense. Be a coin collector once. 'Tis different, yet more thrilling, fascinating and modern than a jig-saw puzzle. The pleasure of playing a game—the excitement—the suspense, are increased a hundred fold by this new game principle. From your daily cent or so-called "penny" change, try to obtain all the dates and mint marks to fill a "Lincoln Cent" KOIN-FRAME". You will work for many a pleasant hour, which grows more intriguing each time you try it, till the conflict is finally won. Anyone can play it. Order a KOIN-FRAME, KF-5, now and start.

Holder are available for both Lincoln and Indian Cents, containing printed dates and mint marks. Some time in the future we will probably make these up in other coin denominations also. Do you know that a cent of say 1930 was made at three different mints; one at Philadelphia, (no initial under date); one at Denver, which may be indentified with the small letter "D" just beneath the date; one was made at San Francisco and may be identified with the small letter "S" just beneath the date, and so on with other years. Now the fun is to watch the cent change, you get from your newsboy and others, to obtain each date as well as mint marks of all dates, 1909 to date of Lincoln Cents. Order KF-5 today which is the Lincoln Cent "KOIN-FRAME" or a KF-5I which is the Indian Cent "KOIN-FRAME". If you have a lot of Indian Cents, get this holder too. This is a new game, no competition and should be a wonderful seller at any store. Be the first in your locality to reap the profit harvest.

These may be purchased from your local dealer. Ask him. Prices in quantities to recognized dealers—Write now for terms.
